

The Touch Of His Hand

(Marzia Gaggioli)

don't wanna see you cry for love
don't wanna see you cry for another
he really hurt you baby
I am sorry but maybe
He was not your destiny
He was not like he seemed
He was not your kind of man
So forget him and come with me.

He was not for you (I know)
He was not so good (I know)
He only made you cry
(I know but don't forget I was in love)
I'll never make you cry (I know)
I'll never say goodbye (I know)
I'll always treat you right (I know)
Baby lady I love you so...

Oooh,is so sweet of you
I know_he was not for me
But I_ forgive me if you can
I still feel_the touch of his hand.
Oooh oh oh mmh...

Baby stop crying
Wanna see you smiling
Want you look at me
Baby I am here
I will help you if you want
I will give you all my love
I will give you everything
The sun the moon all you need

He was not for you (I know)
He was not so good (I know)
He only made you cry
(I know but don't forget I was in love)

I'll never make you cry (I know)
I'll never say goodbye (I know)
I'll always treat you right (I know)
Baby lady I love you so...

Oooh,is so sweet of you
I know_he was not for me
But I_ forgive me if you can
I still feel_the touch of his hand.
Oooh oh oh mmh...
The touch of his hand on me.....yeah
oh.....uh..
Oooh,is so sweet of you
I know_he was not for me
But I_ forgive me if you can
I still feel_the touch of his hand.
Oooh oh oh mmh...
The touch of his hand on me.
